

## **Residential Refuse and Recycling Services**

Effective September 1, 2012, Republic Waste Services ([www.republicservicesohio.com](http://www.republicservicesohio.com)) will be the exclusive vendor for residential refuse and recycling collection to the owners/occupiers of lots containing single-family and two (2) and three (3) multi-family residential dwelling units within the Village of Hartville.

Residents will have the choice of unlimited or low-volume refuse and recycling services. Low-volume refuse customers may purchase their bags at the Hartville Giant Eagle and Hartville Elevator.

Residents now call Republic Customer Service (1-800-247-3644) between the hours of 7am – 5pm, Monday through Friday, to select their preferred service. Residents with questions regarding Republic's services may also call Customer Service or contact Terry Thompson ([tthompson4@republicservices.com](mailto:tthompson4@republicservices.com)), Area Municipal Marketing Manager for Republic Services.
